REPAIR CAFÉ
Schenectady

TOSS IT? NO WAY!
HOW DID REPAIR CAFÉ START?
HOW DOES REPAIR CAFÉ WORK?
THANK YOU very much for organizing and hosting the Repair Cafe in Schenectady. It was terrific. It was great getting my items fixed and being guided through fixing my lamp. This is such a beneficial event for the city and for recycling/reusing.

It was hours away from the dumpster! Thank you!

Fabulous--everyone was very helpful & friendly

Everything was harmonious

I learned how to repair bicycle myself and where to get the parts.

Thank you so much! My chair is glued and I learned how to do it myself. What a great service!
