A Copyrighted Copyright Poem About the Copyright Act for Copyists Copying Copies at our Copiers*

107 is for Fair Use, and has four factors,
Any person or company can be an enactor.

108 is for libraries if they’re open to all,
They just have to put the right notes on the wall.

110 is for many diverse exceptions,
Including performance in classrooms so long as they are using one AND WE MEAN **ONLY ONE LEGAL COPY.**
